Have You Checked Your Credit Lately?

Identity Theft is one of the fastest growing crimes in America. Consistently monitoring your credit report for suspicious activity will help you stop fraud sooner and reduce any damage that could affect your credit.

AnnualCreditReport.com is a reputable web site that is sponsored by the three main credit report agencies (Equifax, Trans Union and Experian). This web site lets you quickly request your annual free credit report in just minutes. Since you are allowed to check your credit 3 times a year, we recommend that you run a credit report for one agency every 4 months.

If you have any questions or concerns about your credit or would like to know more about how to prevent identity theft, please contact the credit union. We are happy to assist you.

Take your Credit Union Wherever You Go... Even Out of The Country.
